Thought for the day

“The purpose of life, after all, is to live it, to taste experience to the utmost, to reach out eagerly and without fear for newer and richer experience.”

Eleanor Roosevelt

Scout Sunday

The Boy Scouts of America designates the Sunday that falls before February 8 (Scouting Anniversary Day) as Scout Sunday, which is the primary date to recognize the contributions of young people and adults to Scouting.

However, each chartered organization can use either of two other options to celebrate this special day. An organization can adopt a specific Sunday to celebrate. In the instance of the United Methodist Church, Scout Sunday is celebrated on the second Sunday in February. It also is permissible for a local church to celebrate on the Sunday most acceptable to the pastor and congregation.

Encouraged to attend the church of your choice and where your uniform to support Reverence in Scouting

Ceremonies

Blue & Gold / Courts of Honor

Why do we have Ceremonies?

We all feel uplifted when we experience an impressive ceremony. Through the years, creative ceremonies have perpetuated Scouting's unique fascination, attraction, and timeless mystique.

#ADVENTUREON

Ceremonies

Blue & Gold / Courts of Honor

What can Ceremonies do?

- Communicate something significant is taking place
- Accentuate an event or accomplishment
- Entertain
- Provide inspiration

#ADVENTUREON

Ceremonies

Blue & Gold / Courts of Honor

What are the keys to a good ceremony?

- Preparation
- Staging
- Group Dynamics

#ADVENTUREON

Ceremonies

Preparation

- It's always much better to deliver a ceremony from the heart, without reading lines.
- If lines must be read, or parts are meant to be read, in order to avoid awkward moments, the presenter should practice them. **Do not hand out scripts at time of event**
- Presenters often mistakenly assume that if they can hear themselves talk, the people in the back row can, too. If microphones are needed, get them and use them.
- It's also easy to assume that someone else is bringing essential props. Double check that everything is ready to go well prior to the actual presentation.
- When more than one presenter will be involved, acting out different parts, or assuming special roles, it's just good practice to schedule some run-throughs.

#ADVENTUREON

Ceremonies

Staging

- Scouts are always prepared. All props, materials, microphones, projectors, and visual aids should be ready and properly positioned prior to the presentation.
- Lighting should be checked and any helpers briefed and ready.
- If there will be any special activity, presenters should be acquainted with where they will need to be, what they need to do and when they need to do it.

#ADVENTUREON

Ceremonies

Group Dynamics

- Position seating or adjust the setting to assure everyone in attendance will be able to see and hear what's taking place, so they can enjoy and appreciate the presentation.
- If individuals will need to know where to stand during an elaborate ceremony, tape their “mark” on the floor.

What is the Process

- On the scheduled date the Unit Election Team will arrive at the location and:
 - Give a short presentation on the Order of the Arrow and the Election Process.
- Votes will be tallied with the Election team and an Adult from the Unit (typically the SM/AD/SK).
- The SM/AD/SK will determine if the results are announced at that time or be held until a later date.

Sap Camp 2022

Event Details

Sap Camp

Beaumont Scout Reservation

Saturday, March 5

Everyone loves maple syrup on their pancakes, but few know why it is such a premium product. For example, did you know that takes around 43 gallons of sap to make 1 gallon of maple syrup? Scouts will learn how to tap a tree and how much energy it takes to boil all the sap down to make syrup.

We invite Scouts to attend Sap Camp at Beaumont Scout Reservation. Participants will learn about the history and process of making maple syrup from our very own trees at camp.
