Proof of LEC-BSA Day Camp Program Fees Paid

The Ohio ACE Program approves reimbursement for “day camp” activities ONLY. For the purposes of Scouting participants, “day camp” activities are defined in the following ways:

1. A single-day event that involves NO OVERNIGHT COMPONENT.
2. A weekend or extended event (that may involve an overnight component) for which the reimbursable value is LIMITED TO THE ‘DAY CAMP’ BENEFIT ONLY.

Because educational value cannot be measured while a Scout is sleeping, the State’s ACE program will only approve reimbursement for the total amounts listed in the table below, accounting for the total “day camp” value of the event. **THESE AMOUNTS ARE NON-NEGOTIABLE.**

Please review the events below. To complete this form for reimbursement, a UNIT LEADER’S INITIALS must appear next to the event being submitted for reimbursement and Page 1 of this form must be completed and signed. BOTH PAGES should be uploaded to the ACE system for review/approval.
