A service project is a special Good Turn that puts Scout spirit into action. Some Good Turns are big—saving a life, helping out after floods or other disasters, recycling community trash, working on conservation projects. But Good Turns are often small, thoughtful acts—helping a child cross a busy street, going to the store for an elderly neighbor, cutting back brush that is blocking a sign, doing something special for a brother or sister, or welcoming a new student to your school. Anyone can get involved in a Good Turn. If you would like to participate in a service project to benefit your community, contact your local Scouting office.

Search Institute®, headquartered in Minneapolis, MN, is an independent, nonprofit, nonsectarian organization committed to helping create healthy communities for every young person. Their research has identified 40 Developmental Assets that are powerful influencers on adolescent behavior—both protecting young people from many different problem behaviors and promoting positive attitudes and behaviors. Studies of more than 2.2 million young people in the United States consistently show that the more assets young people have, the less likely they are to engage in a wide range of high-risk behaviors and the more likely they are to thrive. This power is evident across all cultural and socioeconomic groups of youth.

One of those 40 developmental assets is **Service to Others** where the child has opportunities to help others in the community. Today, youth and volunteers are looking for ways to serve their communities, and at the same time, service organizations need dedicated volunteer help. By working together, we can positively benefit in the development of young people, our communities, and the nation.

What we ask you to do:

Please discuss the Messengers of Peace program when you distribute your patches. It will reinforce the reasons you are receiving the patch and the impact of the project.

It is not a requirement but should help to explain and promote the program, and you can use it to build good will for those Scouts or parents that missed participation this time and use it for an incentive for the next project.

Scouts across the World

Scouting is a global force of action. Each good deed and service action contributes to creating a better world. One by one, we can change the world, inspire others, and build lasting peace.

This map illustrates the number of service projects reported since October 2012. Big or small, they all make a difference. Join us and add your project now!

Every day, Scouts contribute to their communities through service projects.

Since October 2012 Scouts have logged

583,218,927 service hours

Prepared. For Life.®

THE UNIT SCOUTER AWARD

The Unit Scouter Award is an honor bestowed on a registered adult volunteer Scouter who has made a distinguished impact on youth members through outstanding service given at the unit level.

The award is presented annually by the Lake Erie Council in the same manner as the Division Award of Merit and the Silver Beaver Award. What distinguishes it from other bestowed honors is that recipients are recognized for service to Cub Scout packs, Scouts BSA troops, Venturing Crews, or Sea Scout ships.

Nominees must be adult volunteer Scouters who render noteworthy service to youth members in Scouting through a traditional unit. The nature and value of such service may consist of sustained results delivered over a long period of time or a single project, plan or decision impacting many youths over a shorter time.

A committee of fellow volunteers, appointed annually by the Scout Executive, selects nominees for recognition.

Nominations are due by December 15th of each year.

DIVISION AWARD OF MERIT

The Division Award of Merit is a Lake Erie Council award presented by Divisions in the same manner that the Silver Beaver is a national award presented by councils. Recipients of this award are registered adult leaders who have made an impact on the lives of youth through service given at the division level.

Nominations are due by January 31st of each year.

Division Award of Merit

Silver Beaver Award

Ben Hauserman
Good Scout Award

SILVER BEAVER AWARD

The Silver Beaver Award is the council-level distinguished service award of the Boy Scouts of America. Upon nomination by their local Scout council, recipients of this award are registered adult leaders who have made an impact on the lives of youth through service given to the council. The Silver Beaver is an award given to those who implement the Scouting program and perform community service through hard work, self-sacrifice, dedication, and many years of service.

Nominations are due by December 15th of each year.

BEN HAUSERMAN GOOD SCOUT AWARD

The Ben Hauserman Good Scout Award is named after a distinguished and long serving Council Executive Board member, Council President and National BSA volunteer. Ben was a recipient of the Silver Beaver and Silver Buffalo Award. It is a local, council selected award that recognizes an outstanding volunteer who over many years has provided untiring service in the name of Scouting for our council. This is often a Scouter who goes about doing their job not for the recognition, but because it is the right thing to do.

Nomination forms for the Unit Scouter Award, Division Award of Merit, and Silver Beaver Award can be found at <https://lecbsa.org/council-awards>.
