

YOUTH RESILIENCE SUMMIT

FRIDAY, APRIL 19, 2024

Sheila and Eric Samson Pavilion
The Health Education Campus, Cleveland Clinic

EXHIBITOR TABLE RENTAL INFORMATION

Lake Erie Council, Boy Scouts of America and Great Lakes Adventures is hosting a Youth Resilience Summit that will bring together professionals and community organizations for collaboration on how to minimize the impact of ACEs on the community. Working together, we will build youth resilience and help all children reach their full potential as empowered strong, healthy, happy citizens and future leaders.

The Youth Resilience Summit leverages the collective skills and expertise in the community to create and sustain safe, stable, nurturing relationships and environments for all children and families, we aim to prevent ACEs and help youth overcome negative childhood experiences.
