

# ROUNDTABLE FLASH

JANUARY 2019

The roundtable volunteers' goal is to help you and your Scouts provide high quality programs. The Roundtable Flash is a monthly publication that contains information about upcoming events and important dates for unit leaders and will help you plan your calendar.

## Featured News: Changes to Scoutbook

For unit volunteers and youth 13-18 with current Scoutbook accounts

If they have never logged into my.Scouting, these volunteers will have to go to <http://my.scouting.org> and create an account. It would be useful to them if they find out what their current BSA member ID is prior to creating an account (they will be prompted for this number if known.) This can be obtained from their official roster or by calling their council office. After creating their my.Scouting account they can then login to Scoutbook using the same account name and password.

If they have created an account in my.Scouting, they can login with their current Scoutbook user ids and will be led to setup SSO. If they have a MY.Scouting account that is tied to the same member Id as their Scoutbook profile, they enter their my.Scouting credentials in the setup SSO screen and they are set. All future logins will use their My.Scouting credentials for login once this step is done.

NOTE: Parents may invite a youth < 13 to create an account in Scoutbook. Parent invite continues to be the only way a youth < 13 may create a Scoutbook account. A my.Scouting account cannot be created for or by a youth < 13

For unit volunteers and youth 13-18 without current Scoutbook accounts

If they have a my.Scouting account, they login with their my.Scouting credentials. If the my.Scouting account is tied to a Member id, that will be matched with the appropriate Scoutbook unit and access is provided to that unit upon login. No new changes needed for these people - SSO is what is letting them in.

If they don't have a my.Scouting account, they would need to create one that is tied to their membership. My.Scouting account creation process discovers the BSA membership for these users based on profile attribute matchup and allows them to create an account that links into their membership. Once the my.Scouting account is created, they use this to login to Scoutbook. No further changes needed.

Starting February 1, 2019, all Scoutbook users who have my.Scouting accounts will be required to connect in Scoutbook to their my.Scouting accounts, if they have not done so before. Please note, your account will not be deleted but you will be locked out of Scoutbook.

# COUNCIL NEWS

## Order of the Arrow Cross Over Ceremonies

In case you have not heard, this summer, the National Order of the Arrow Committee released new official ceremonies for Order of the Arrow Lodges conducting Arrow of Light and Crossover ceremonies. These new ceremonies must be done in official Scout Uniform and not in our Native American regalia. We are also not permitted to lend our regalia for use in ceremonies. Since the new ceremonies do not require special equipment or clothing, it is the Lodge's hope that Packs can partner with their local Scouts BSA Troops to perform these ceremonies. As the new ceremonies do not include any Order of the Arrow-specific information, the participants do not necessarily have to be Members of the Order of the Arrow. You can find links to the new ceremonies here: <https://oa-bsa.org/article/official-arrow-light-and-crossover-ceremonies>

## Congratulations to the Class of 2018 Silver Beavers

The Silver Beaver Award was introduced in 1931 and is a council-level distinguished service award of the Boy Scouts of America. Recipients of this award are registered Scouters who have made an impact on the lives of youth through service given at the council level.
